description

Goals:

The goal of our Plan My Vacay is to provide the best vacation planner that keeps all of your vacation plans in one, organized, and easy to access spot.

Features:

- Customizable templates to fit any kind of vacation
- Guided template to store all data in one secure location
- Checklist with reminders
- Google maps to show locations on itinerary
- Notifications of time-to-time plans

future goals

- Reminder 24 hours prior to trip date, reminding user of all remaining things not checked off on the checklist
- Google maps directions and traffic updates
- Notification sent out 1 hour prior to scheduled activity
